Reprise

Int. Subway

Trapped between the  
checkpoint and the  
approaching cruiser,  
LEELA and company look  
desperately for a way  
of escape.

CORDO: It's no good.  
We're trapped.

The cruiser, with its  
complement of armed  
visored GUARDS comes  
steadily up the subway.  
End Reprise.

LEELA: K9, get out of sight!  
Over there.

K9: Mistress...

AB

Ep.3/TC1 (2)

- 45 -

K9 conceals himself  
under a service conduit.

LEELA: Keep still. We must look  
as though we're offering no  
resistance.

CONDO: You have the gun, Leela.  
Why don't you kill us?

LEELA: What?

BISHAM: Better to die here,  
quickly, than let them take us.

The cruiser stops a  
few yards back up the tunnel,  
its mounted machine gun  
menacing the little group.

GUARD: Drop your arms!

LEELA throws her gun down.  
The GUARDS step from the  
cruiser and, carbines, in  
hand, cross the tunnel.

LEELA: Get 'em, K9!

K9 fires immediately.  
The first GUARD crumples  
and the other spins to meet  
this attack from the rear.

But he can see nothing  
and he is looking the  
wrong way, in any case,  
as K9 glides out from  
under the conduit and blasts  
him.

- 45 -

K9: Satisfactory, mistress?

LEELA: Get their guns!

She retrieves her own  
as CORDO and DISHAM take  
the hand carbines from the  
dead GUARDS.

K9: Satisfactory, mistress?

LEELA: Yes, K9! What do you want - a  
biscuit? (TO OTHERS) We will take  
this machine and smash through the  
checkpoint! Put K9 on the back.

Leaving them to attend  
to K9 she leaps on to the  
cruiser and eagerly examines  
its machine gun.

ANOTHER ANGLE:

At the checkpoint  
the GUARDS are all  
staring up the subway.  
The COMMANDER shrugs.

COMMANDER: The shooting's stopped.  
~~They~~ must have got them...Not  
our lucky day, ~~my lads.~~

ANOTHER ANGLE:

All aboard the cruiser.

LEELA: Ready? Forward! (cont...)

She takes the steering  
bar and stabs the foot  
control. The cruiser  
shoots backwards up the  
tunnel. Surprise.

Ep.3/TC1 (4)

LEELA: (cont) Curse it! I said forward!

BISHAM: Perhaps I'd better <sup>Take over</sup> ~~handle~~ Leela.

LEELA All right.  
I will have the gun.

He takes over. The cruiser glides away.

ANOTHER ANGLE:

The GUARDS are taking down the barrier. Suddenly the cruiser is bearing down on them.

The GUARDS dive to the sides of the subway. LEELA opens fire with the machine gun. CONDO is also shooting as the cruiser passes the checkpoint. The GUARDS fire back.

COMMANDER: <sup>Bring it over</sup> ~~Look out!~~  
against the wall.  
That's right. Look out!

LEELA: We've done it!

She takes her hand gun and scrambles to the back of the cruiser to keep up the fire. As she reaches the back she gives a cry and falls.

CONDO: Stop! Leela's been hit!

BISHAM slows the cruiser. LEELA is a crumpled heap some twenty yards from the barrier.

GUARDS are running towards her, still firing after the cruiser.

AB

BISHAM: We can't help her...

An electron blast sends  
chips of concrete flying  
from the tunnel wall.  
BISHAM ducks and increases  
speed once again. CORDO  
stares back helplessly as the  
GUARDS gathering now around  
LEELA recede rapidly into the  
distance...
